### Cash For Want Ads.

The Herald has announced many times that all want ads. for these columns are cash business, but most every day people phone such ads. in to be charged. It is not a matter of not wanting to credit people for such ads., but when it is taken into consideration that several hundred want ads. are printed within the course of a month, all for small sums and scattered all over the city, the expense of collecting such accounts costs more than the returns justify. The Herald earnestly asks its friends to remember that such business must be sent in accompanied by the cash.

The assortment comprises the newest styles in "Scarfs," "Rug Muffs," "Pillow Muffs" and "Match Sets" made of "Russian Bear," "Arctic Fox," "Isabella Fox," "French Coney," "Lynx," "Opossum," "Wolf," "Sable," "Japanese and American Mink," Etc., and "White Angora," "Astrakan" and "Bear Skin" in sets for the children—These goods will be on display in our ready-to-wear department and you are cordially invited to inspect them whether you wish to purchase or not.

## PALESTINE ATHLETES

Will Attend Annual Field and Track Championships at San Antonio During International Fair.

The High School Athletic Association of this city and the Young Men's Christian Association have decided to send representatives to the annual field and track championships to be held in connection with the International Fair Association at San Antonio on November 19th. The meet will be conducted under the rules of the Southern Association of the Amateur Athletic Union and every contestant is guaranteed a fair and square chance of winning in this big contest. Right to protest is recognized at all times and fair play and clean sports only will be tolerated.

A gold medal emblematic of the occasion will be given to the winner in each event, a bronze medal to the second and a ribbon to the third. Team relay trophies will also be given.
